Ms Corinne Young	7	5
Ms Kate Marshall	7	4
Mr Joseph Azoulay	7	5
Ms Lesley McMenamin	7	6

A - Number of Meetings eligible during the year

B - Number of Meetings attended

CORPORATE INFORMATION

The Epilepsy Foundation is a company limited by guarantee, incorporated and domiciled in Australia.

The registered office of the Epilepsy Foundation is located at 587 Canterbury Road Surrey Hills Vic 3127.

PRINCIPAL ACTIVITIES

The principal activities of the Epilepsy Foundation during the financial year were to enhance the quality of life of people living with epilepsy through information, education, advocacy, support services and research.

SHORT TERM OBJECTIVES

The company's short term objectives are to

- Expand research to understand the needs of people living with epilepsy and develop evidence based best practice support programs.
- Develop, refine and use person and family centered models of service.
- Develop the capability and tools to evaluate program effectiveness; to continuously improve and build the case for support and investment.
- Build a capable workforce to deliver consistent and high quality outcomes.

EPILEPSY FOUNDATION
BOARD'S REPORT (Cont.)

LONG TERM OBJECTIVES

The Company's long term objective is to provide people living with epilepsy across Australia to have the support they need so that they can live without fear of discrimination.

STRATEGY FOR ACHIEVING SHORT AND LONG-TERM OBJECTIVES

To achieve these objectives, the Company has adopted the following strategies:

- Undertake research into the impacts of epilepsy on people's lives
- Develop better practice programs in the areas important to people living with epilepsy
- Build community understanding and support.

SIGNIFICANT CHANGES

No significant change in the nature of these activities occurred during the year.

OPERATING RESULT

The loss from ordinary activities for the year amounted to \$510,522 (2014: Profit from ordinary activities of \$6,860).

The Board approved a budget for the year with a planned loss of (\$286.5K) to enable the Foundation to invest in both the development of better practice materials for people living with epilepsy, and explore ways to increase our philanthropic revenue.

The result reflected a negative variance against budget for operations of (\$50.1k) predominantly as a result of lower than budgeted fundraising income, and a negative variance against non-operating activity of (\$181.7k) predominantly as a result of restructuring designed to reduce our recurrent expenditure

AUDITOR'S INDEPENDENCE DECLARATION

The auditor's independence declaration has been received for the year ended 30 June 2015 and can be found on page 9 of this Financial Report.

MEMBERS GUARANTEE

The Epilepsy Foundation is a company limited by guarantee. In the event of and for the purpose of, the winding up of the company, the amount capable of being called up from each member and any person or association who has ceased to be a member in the year prior to the winding up is limited to \$1, subject to the provision of the company's constitution.

EPILEPSY FOUNDATION
DIRECTORS' DECLARATION

The Directors have determined that the Epilepsy Foundation's general purpose financial report should be prepared in accordance with the accounting policies described in note 1 to the financial statements.

The Directors of the Epilepsy Foundation declare that:

1. The financial statements and notes, as set out on pages 10 to 24 have been prepared in accordance with the Australian Charities and Not-for-Profits Commission Act 2012 including:
 - a. Giving a true and fair view of the Company's financial position as at 30 June 2015 and of its performance for the financial year ended on that date; and
 - b. Complying with Australian Accounting Standards (including Australian Accounting Interpretations) and the Australian Charities and Not-for-profits Commission Regulation 2013.
2. In the Directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board and is signed by:

Prof. Mark Cook – Chairman

Mr. Peter Gover – Chair – Finance & Audit Committee

Independent Auditor's Report To the Members of Epilepsy Foundation

We have audited the accompanying financial report of Epilepsy Foundation (the "Company"), which comprises the statement of financial position as at 30 June 2015, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the company .

Directors' responsibility for the financial report

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012. The Directors' responsibility also includes such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

Grant Thornton Audit Pty Ltd ACN 130 913 594
a subsidiary or related entity of Grant Thornton Australia Ltd ABN 41 127 556 389

'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Ltd is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 and its Australian subsidiaries and related entities. GTIL is not an Australian related entity to Grant Thornton Australia Limited.

Liability limited by a scheme approved under Professional Standards Legislation. Liability is limited in those States where a current scheme applies.

In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Accounting Professional and Ethical Standards Board and the Australian Charities and Not-for-profits Commission Act 2012.

Auditor's opinion

In our opinion:

- a the financial report of Epilepsy Foundation is in accordance with the Australian Charities and Not-for-profits Commission Act 2012, including:
 - i giving a true and fair view of the Company's financial position as at 30 June 2015 and of its performance for the year ended on that date; and
- b complying with Australian Accounting Standards- Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulation 2013.

Auditor's Independence Declaration To the Directors of Epilepsy Foundation

I declare that to the best of my knowledge and belief, during the year ended 30 June 2015 there have been no contraventions of:

- a the auditor independence requirements as set out in the Australian Charities and Not-for-profits Commission Act 2012 in relation to the audit; and
- b any applicable code of professional conduct in relation to the audit

EPILEPSY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial report is a Tier 2 general purpose financial report, which has been prepared in accordance with the requirements of the Not-for-Profit Commission Act 2012, Corporations Act 2001, Australian Accounting Standards-Reduced Disclosure Requirements and other authoritative pronouncements of the Australian Accounting Standards Board as discussed by the International Accounting Standards. The financial report also complies with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board. The financial report has also been prepared on an accrual basis and based on historical cost, except for investments, which have been measured at fair value.

The financial report is presented in Australian dollars and all values are rounded to the nearest dollar.

The preparation of the Financial Report requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Epilepsy Foundation's accounting policies.

The accounting policies adopted in preparing the Financial Statements are consistent with those of previous years, except where otherwise stated. Prior year figures have been adjusted, where appropriate, to ensure consistency with current year figures.

1.1 ADOPTION OF NEW AND REVISED ACCOUNTING STANDARDS

A number of new and revised standards are effective for annual periods beginning on or after 1 January 2015. These amendments have had no significant impact on the entity.

1.2 PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are carried at cost less any accumulated depreciation, unless otherwise stated. It is the policy of the Epilepsy Foundation to have an independent valuation of land and buildings when this is determined by the Board to be materially different to the stated value. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Non-current assets (items over \$1,000) are capitalised and depreciated to write off the cost or revalued amount of each item of plant and equipment, over its expected useful life to the Epilepsy Foundation.

Depreciation methods and rates used for each class of depreciable assets are:

	<u>Method</u>	<u>Rate</u>
Furniture & Equipment	Straight Line	20%
Computer Equipment	Straight Line	33%
Motor Vehicles	Straight Line	20%
Leasehold Improvement	Straight Line	7-20%
Building	Straight Line	2%

Depreciation methods and rates of all non-current assets are reviewed on an annual basis. There was no change in the methodology used and rates for the 2015 financial year.

1.3 EMPLOYEE BENEFITS

The calculation of employee entitlements includes all relevant on-costs and employee entitlements are calculated as follows at reporting date.

1.3.1 WAGES AND SALARIES, ANNUAL LEAVE AND SICK LEAVE

Liabilities for wages and salaries and annual leave are recognised, and are measured as the amount unpaid at current pay rates in respect of employees' services up to that date. Sick leave is non-vesting and a liability is recognised only when the amount of sick leave expected to be taken in future periods exceeds the entitlements expected to accrue in those periods.

EPILEPSY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

1.3.2 LONG SERVICE LEAVE

A liability for long service leave is recognised and is measured as the present value of expected future payments (including on-costs) to be made in respect of services provided by employees up to the reporting date. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service.

Expected future payments are discounted using interest rates of national government guaranteed securities with terms to maturity that match, as closely as possible, the estimated future cash flows. The nominal amount of long service leave expected to be paid in the next financial year is included as a current liability.

1.3.3 SUPERANNUATION

Superannuation Guarantee Levy amounts are paid on behalf of eligible employees. The Epilepsy Foundation have no other commitments with respect to staff retirement benefits.

1.4 TRADE AND OTHER RECEIVABLES

Trade receivables, which comprise amounts due from sales of merchandise and from services provided are recognised and carried at original invoice amount less an allowance for any uncollectible amounts. Normal terms of settlement vary from seven to 30 days. The carrying amount of the receivable is deemed to reflect fair value.

An allowance for doubtful debts is made based on a review of all outstanding amounts at reporting date. Bad debts are written off in the period in which they are identified.

1.5 CASH AND CASH EQUIVALENTS

Cash on hand and in banks and short-term deposits are stated at nominal value. For the purpose of the Cash Flow Statement, cash includes cash on hand and cash equivalents, i.e. highly liquid investments with short periods to maturity, which are readily convertible to cash on hand at the Epilepsy Foundation option. Outstanding bank overdrafts when they arise are categorised as current liabilities.

1.6 GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of Goods and Services Tax (GST), except, where the amount of GST incurred is not recoverable from the Taxation Authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense. The net amount of GST recoverable from, or payable to, the Taxation Authority is included as part of receivables or payables in the Balance Sheet. The GST component of a receipt or payment is recognised on a gross basis in the Statement of Cash Flows in accordance with Accounting Standard AASB 107 Statement of Cash Flows.

EPILEPSY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

1.7 REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

- (a) Grant income is brought to account when the Epilepsy Foundation obtains control of the funds which is normally when the Entity receives the contribution or the right to receive the income. Where a repayment obligation exists with respect of unspent grant funds, grant income will be recognised in proportion to the related costs. If conditions are attached to a grant which must be satisfied before the Company is eligible to receive the contribution, recognition of the grant is deferred until those conditions are satisfied. The liability for deferred income is the unutilised amounts of grants received on the condition that specified services are delivered or conditions are fulfilled. The services are usually provided or the conditions usually fulfilled within twelve months of receipt of the grant.
- (b) Bequests, donations and trading revenue are recognised as revenue on receipt or delivery.
- (c) Membership fees and other income are recognised as revenue upon the rendering of an invoice.
- (d) Interest and rent is brought to account on a time proportionate basis.
- (e) No amounts are included in the financial statements for services donated by volunteers, or donated goods.

1.8 TAX

The Epilepsy Foundation, as a registered charitable organisation, is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

1.9 LEASES

Leases of plant and equipment where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred in the Company are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

1.10 INVESTMENTS

(a) Classification and subsequent measurement

Investments are classified as available-for-sale investments in terms of AASB 139 Financial Instruments. Available-for-Sale financial investments are non-derivative financial assets such as primarily equity and debt securities, which either do not have a maturity date or whose maturity date is so far in the future that is unlikely that the Company will hold the investment to maturity. Available-for-Sale financial investments are measured at fair value. The fair value of investments that are actively traded in organised financial markets is determined by reference to quoted prices at the close of business on the balance sheet date. For investments with no active market, fair value is determined using standard valuation techniques.

Unrealised gains and losses are recognised directly in reserves until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in reserves is recognised in surplus or deficit in the statement of profit and loss.

EPILEPSY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

(b) Impairment of financial assets

The Company assesses at each balance sheet date whether a financial asset or group of financial assets is impaired. If there is objective evidence that an available-for-sale financial investment is impaired, an amount comprising the difference between its costs and its current fair value, less any impairment loss previously recognised in surplus or deficit, is transferred from reserves to the statement of profit and loss. Subsequent reversal of impairment losses are not recognised in the statement of profit or loss and other comprehensive income but are recognised directly in reserves until the investment is derecognised.

1.11 RESERVES

Other components of equity include Net Unrealised Gain Reserve which comprises gains and losses relating to investments.

1.12 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The board members evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Company. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

NOTE 12: COMMITMENTS FOR EXPENDITURE

As at 30 June 2015, The Epilepsy Foundation had no outstanding capital commitments (2014 nil).

NOTE 13: CONTINGENT LIABILITIES

As at 30 June 2015, The Epilepsy Foundation had no contingent liabilities (2014 nil).

NOTE 14: AUDITOR'S REMUNERATION

For Auditing of the Financial Statements:

Current Year	12,500	12,500
For Other Services	-	-
	12,500	12,500

NOTE 15: RELATED PARTY TRANSACTIONS

(a) Directors Remuneration

There was no remuneration received or due and receivable from The Epilepsy Foundation in connection with the management of The Epilepsy Foundation (2014 nil).

(b) Other Transactions:

The Epilepsy Foundation entered into other transactions, which are insignificant in amount, with Directors in their domestic dealings within normal customer terms and conditions not more favourable than those available in similar arm's length dealings.

NOTE 16: ECONOMIC DEPENDENCE

A significant portion of funding for The Epilepsy Foundation is obtained from agencies of the Victorian Government and public donations.

EPILEPSY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 17: KEY MANAGEMENT COMPENSATION

There were 4 key management personnel (2014: 5) that have authority for planning, directing and controlling the Company's activities, directly or indirectly (other than directors) during the financial year.

The key management personnel compensation included within employee benefits expense is:

	2015	2014
	\$	\$
Key Management Compensation	723,840	720,610
	<u>723,840</u>	<u>720,610</u>

NOTE 18: FINANCIAL RISK MANAGEMENT

The Company's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, equity and debt securities, trade receivables and trade payables.

The Company does not have any derivative instruments at 30 June 2015 (2014: nil).

Specific Financial Risk Exposures and Management

Financial Risks

The main risks the Company is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

Interest Rate Risk

The Company's exposure to market risk for changes in interest rates is minimal as it relates primarily to the Company's at call deposits as well as listed debt securities. The Company does not currently have any interest bearing liabilities. Cash not required for working capital purposes is deposited into a term deposit account.

Liquidity Risk

The Company manages liquidity risk by monitoring cash flows and ensuring that adequate cash balances are maintained.

Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or security, at reporting date for recognised financial assets is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the Statement of Financial Position and Notes to the Financial Statements.

There are no amounts of collateral held as security at reporting date.

At reporting date, the Company does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into by the Company.

Price risk

Price risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market prices. Price risk arises from available-for-sale equity securities. The Company's investment portfolio is actively managed through the Finance & Risk Management Committee consisting of appointed Board members. The primary goal of the Company's investment strategy is to maximise investment returns. The Committee seeks to invest for the medium to long term in investment grade securities listed on the Australian Stock Exchange.

EPILEPSY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 19: OPERATING LEASES

	2015 \$	2014 \$
Non-cancellable operating leases payable as follows		
Within one year	138,601	107,175
Between one and five years	280,954	57,153
More Than Five Years	-	-
	<u>419,555</u>	<u>164,328</u>

The entity leases property under operating leases expiring from one to five years. Leases generally provide the entity with a right of renewal at which time all terms are renegotiated. Lease payments are generally increased every year to reflect market rentals or the terms of the lease.

During the financial year ended 30 June 2015, \$147,327 was recognised as an expense in the statement of Profit or Loss and Other Comprehensive Income in respect of operating leases (2014: \$152,147).

NOTE 20: SUBSEQUENT EVENTS

No adjusting or significant non-adjusting events have occurred post balance date.
